

Recommended Reading Order for the Empath Empowerment® Series

Most essential is Book 1 of the Empath Empowerment Books: *Empath Empowerment in 30 Days*.

For many readers, that is all you'll need to become a Skilled Empath. Other readers wish to progress with more advanced skills.

Rose recommends reading these books in the following order:

Book 1: *Empath Empowerment in 30 Days*

Book 2: *The Empowered Empath -- Quick & Easy*

Because you've ideally begun with Book 1, QUICK helps you to build upon your emerging sense of self. This how-to instructs you in ways to do this with your spiritual consciousness -- your built-in connection to God. The sequence of instruction allows you to use consciousness to expand your sense of self as an empath.

Book 3: *The Empowered Empath: Owning, Embracing and Managing Your Special Gifts*. (Sometimes called *The Expanded Edition*.)

Now, you can build upon your foundational understandings from Books 1 and 2 of the series. You can take those empath's understandings much further. Turns out, the sketched-out learning in Book 2 provides a new foundation, one for advanced learning. Then, Book 3 will take that learning much further.

Book 4: *The Master Empath: Turning on Your Empath Gifts at Will -- In Love, Business and Friendship*
(Includes Training in Skilled Empath Merge)

Lo and behold! This how-to shows any Skilled Empath how to do Skilled Empath Merge. Important to know: Doing Skilled Empath Merge is separate from living as a Skilled Empath.

Optional! Yet learning this amazing skill will jet-propel your spiritual evolution and emotional growth. Empaths do this privately, just for their own amazing personal journey.
